

# GUARDIAN ANGELS HEALTH & REHABILITATION

## Guardian Angels Health & Rehabilitation Center *Social Accountability Statement 2017*

Guardian Angels is located in Northern Minnesota in the community of Hibbing, a town of 16,361 people. Known for its iron mining history, the city was built on the rich iron ore of the Mesabi iron range. At the edge of town is the largest open-pit iron mine in the world. Hibbing is the home of the Greyhound bus industry and Bob Dylan. There are numerous winter and summertime recreation activities available in Hibbing, such as hiking, golfing and fishing in the old mine pits, or “pit lakes.”

*Our Mission:* We are committed to express *Christ's* message of love and hope by providing for health, residential, community, and allied services in a holistic, competent, and caring manner that recognizes the value and dignity in every human life.

St. Francis Health Services controls and operates Guardian Angels Health and Rehabilitation Center and is sponsored by the Catholic Diocese of St. Cloud. We are dedicated to promoting the Ethical and Religious Directive for Catholic Health Care services.
